

The *square* Resource is an educational program designed to help community members, community-based service providers, primary health care and specialist health workers respond appropriately and effectively with people who are at risk of suicide. **For more information, visit www.square.org.au**

Suicide Prevention Training for Workers

This all day training will explore engagement strategies and look at suicide risk assessment and management and will use material from the square program.

The training will cover:

- ➔ Exploring suicide risk and protective factors
- ➔ Engagement strategies
- ➔ Conducting risk assessment interview
- ➔ Scale of risk
- ➔ Care plans and management
- ➔ Engaging family, friends and other service providers

Date and time: Wednesday 14 March, 2012 from 9.30am to 4.30pm.

Talking About Suicide for Community Members

Talking About Suicide is a half day training program for community members to gain the knowledge and skills in order to respond to people at risk of suicide in their community. The training will include background information on suicide in Australia, exploration of risk factors and warning signals, assessing suicide risk, how to respond to suicide risk and building hope and resilience for the future.

Date and time: Thursday 15 March, 2012 from 10.00am to 1.00pm.

Venue:

Lameroo Ambulance Centre - Lameroo
There is no cost for this training, but bookings are essential.

To enrol:

Please contact Bronwyn Bates at Mallee Community Health via email bronwyn.bates@health.sa.gov.au or phone (08) 8576 4677.
