Referral Pathways

Assess person at risk

Complete the risk assessment tool on the Risk Referral/Feedback Form

If high risk is determined

Form Completed. Phone: Mental Health Triage Service 13 14 65

A decision will be made by Triage as to location and timing of assessment and relayed back to the referring person

Assessment has been completed and any necessary action for emergency has been taken. Management plan has been developed.

Emergency Mental Health Service feeds back to referring person

Consumer will return to care of GP

If medium/low risk is determined

Assess and Document Manage in general practice
